

North Bay Forest Improvement Program: Forest Management Plan (FMP) Application

1. Registered Professional Forester (RPF) Information

RPF Full Name*

RPF #*

Mailing Address*

Email*

Phone Number*

Resource consulting company (if applicable)

If selected for funding, the contract between NBFIP and the landowner will have a duration of 1 year. However, RPFs should aim to complete FMPs within a 6month window from contract execution to allow clients to apply for subsequent NBFIP funding cycles for project implementation.

If the landowner is selected for funding, will you be able to complete the FMP within the expected timeframe?*

Yes

No

2. Landowner Information

First Name*

Last Name*

Mailing Address: Street*

Mailing Address: City*

Mailing Address: State/Province*

Mailing Address: Zip/Postal Code*

Email*

Phone*

Is mailing address different than property address? Is so, please enter the property address below:*

 

Property Address: Street

Property Address: City

Property Address: State

Property Address: Zip Code

3. Property Information

Legal Property Description*

Latitude and Longitude of property (central point)*

APNs of all parcels in property*

Property size (in acres)*

4. If their application is successful, is the client landowner prepared to go into contract with NBFIP and pay? Does the client recognize that there will be additional costs associated with contracting the services of an RPF to write a Forest Management Plan that exceed cost-share payments provided through NBFIP?*

5. Has the client landowner attended the UCCE Forest Stewardship Series?

Yes

No

6. Is the client landowner's property located within a census designated Disadvantaged Community (DAC) or Severely Disadvantaged Community (SDAC)?

For locating DAC/SDAC areas, please use [this mapping tool](#) and select "Disadvantaged Communities - Block Group (2018)"

Yes

No

7. What is the primary theme for the client landowner's goals and objectives concerning the creation of a Forest Management Plan? *

- Timber harvesting
- Facilitate the future creation of an NTMP
- Wildfire risk mitigation
- Wildfire recovery
- Wildlife habitat enhancement
- Forest restoration
- Deciduous oak woodland restoration

Other:

What is the type of plan you are seeking NBFIP funding for?*

- Full Forest Management Plan
- Mini Management Plan
- Existing plan revision
- Additional plan addendums
